1. (Confidential - GLC) Al Tarabochia, Senate Internal Security Subcommittee staff, called to say that if we had no objection he would like to talk directly to [redacted] regarding some of the material he was forwarding to [redacted] on. He also intimated that he might like to talk directly with [redacted] again. I tried to point out some of the hazards involved in the handling of [redacted] in an effort to dissuade Tarabochia from establishing too close a relationship with him, but I am not sure I was very successful. 25X1

4. (Confidential - GLC) Checked with Guy McConnell, Senate Appropriations Committee staff, in connection with the material we were preparing for the Chairman as the result of the Director's briefing last week. McConnell said the Chairman would be out of town all this week and he (McConnell) will not be in tomorrow. He said if I talked to him about this on Wednesday that would be plenty of time.

5. (Unclassified - GLC) Following up on a call from Frank Slatinshek, Chief Counsel, House Armed Services Committee, I made arrangements for us to brief Representative James Jones (D., Okla.) on the Middle East situation tomorrow morning at 9:15.
